School Fiscal Services Division

Subject: Notice of Second Apportionment for Energy Funding, Fiscal Year 2001-02

This apportionment, in the amount of \$10,688,543, is made from funds provided in Item 6110-485-0001(42) of Senate Bill 3X 1 (Chapter 1, Statutes of 2002) as amended by Senate Bill 508 (Chapter 42, Statutes of 2002), and provides a one-time allocation for fiscal year 2001-02 to school districts, county offices of education, Regional Occupational Programs (ROPs) and charter schools to be used for energy conservation measures, increased energy costs, career/technical education one-time purposes or any other one-time educational purpose.

Local educational agencies (LEAs) that submitted the form titled "Certification of Compliance, Governing Board Resolution, Energy Assistance Allocation, Fiscal Year 2001-02" are included in this apportionment if we received the certification between June 11 and September 9, 2002. LEA certifications received after September 9, 2002 will be paid in subsequent apportionments.

The apportionment for each LEA is calculated based on a revised rate of \$10.5095635 per unit of average daily attendance, or \$3,750 per school site maintained by the LEA, whichever is greater, as listed on the schedule of apportionment. For additional information regarding the expenditure of these funds or eligibility information, please refer to the April 3, 2002, letter from Janet Sterling, Director of the School Fiscal Services Division, mailed to all school districts and county offices of education. The letter is also available on the CDE Web site at: <http://www.cde.ca.gov/fiscal/categorical/>.

All eligible charter schools must apply directly for the energy funding. Allocations for both direct funded and locally funded charter schools are listed separately in this apportionment; however, funding associated with a locally funded charter school will be paid to the authorizing LEA.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 0000, and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income
